

Joe Baxter

Reading - Gen ch 1 v 1 A World created

Eph ch 2 v 12-14 A World without God and without Hope

John ch 3 v 16-18 A World loved

This is a message of salvation from the Bible. Are you in touch with the God of heaven?

Do you know God? We are not here to make you religious but because we want you to be made right with God. We can be acquitted of all guilt and can be made right.

Have you made peace with God? Are you ready for Heaven?

God is not frowning down, He is not an austere Man. God's light shines down on this planet.

Are your sins forgiven?

We are all polluted with sin (Rom 3:23).

Do you really know the God of heaven? The same God that created the world is interested in your soul. God only had to speak to create. There wasn't a big bang it was an act of creation by God.

How do we know He is interested? In Matthew 1, we learn about "God with us". He is not only Creator, He is the One that when to Calvary to die for our sins. He is interested in your never dying soul.

By faith we understand (Heb 11v3), He created everything out of nothing. "He spake, and it was done; He commanded, and it stood fast" (Psa 33:9) To create He spoke, but to redeem us He died.

We preach Christ. Have you had an experience a life changing experience with God?

It's not good enough to think you are saved. Sinners have fallen short of Gods standard (Rom 3:23).

You might walk out the door unsaved but you'll never be unloved. I love Him because He first loved me. If you haven't got Christ you are without hope and friendless; away from God; strangers; homeless (Eph 2:12) .

Have your sins gone? Are you assured of your salvation?

" If I go I will come again" (John 14:3) As surely as He has gone He is coming back again. Have you got your sin problem sorted out?

If you do not have Christ, you have no hope. You need Him more than your next meal.

Don't play around with sin; don't play at going to hear the Gospel. There is a heaven to gain and a hell to shun. God hates your sin. You must not die without Christ. Without God, you will never walk the streets of gold in heaven. Have you no hope in this Godless blinded world?

World doesn't see it's need. Do not be ashamed if you do not have Christ: you can get him.

Galatians 1v4 speaks of being delivered from the world. Are you still in your sin? Are you still in the grip of this evil world?

Do you understand the depth of God's Love that allowed His only Son to bleed and die for sinners. He had no sin of His own; He shed His blood for your sins. In Psalm 69, reproach is spoken. A man out of heaven is the mediator (1 Tim 2:5). There is one way back to God; One mediator.

We need to have our sins forgiven. This lustful world a passing world. Are you in that world? Are you enjoying that world? Do you live without God in your life? You mustn't die without Him.

Have you got Him ? All you need to do is just tell Him that you are guilty and put your trust in Him.

This is unbelievable love. "For God so loved the world" Are you in that world or are you ready to go to heaven?

Inseparable love - Romans 8. You cannot be saved today and lost tomorrow. You cannot get out of God's love.

Sacrificial Love - "God commended his love toward us in that while we were yet sinners, Christ died for us" (Rom 5:8)

Perfect forever. Do you know about His love?

Unexplainable sacrifice - God allowed His only begotten Son to be crucified for us. He will never go to Calvary again because God is well pleased with the death of Christ.

Why are you not saved?

Uncomplicated belief.

Are you too proud to trust Him? Do you think you can get in some other way?

Acts 4v12 tells us that there is no other way to be saved. John 14:6 teaches that there is one way to the Father and that is through Christ.

You must take God at His word. Do you know where to turn? Maybe you are not ready for heaven. Salvation involves changed destinies and changed worlds gained by exercising simple trusting faith.

You will have everlasting life as a present and lasting possession. You will have peace, joy and fellowship with God in your heart.

What will you do about your sin? What will you do about God's love?
